THE STORY

Dorothy and her dog Toto are caught up in a Twister, a terrifying Tornado, and land in the land of Oz.

With the help of the Munchkins who show her the way to the Yellow Brick Road she sets off to find the Wizard of Oz who lived in the Emerald City.

On the way she meets a Scarecrow who had no brain, a Tin man with no heart and a Lion with no courage.

They join her on her journey, encountering the wicked witch of the west.
