A Message from our Chairman.....

Welcome to our first pantomime as Clacton Musical Theatre Society. You will have fun, laughter and tears from such a good time that you will be talking about it for months to come. Warm up your vocal chords for the booing, hissing and cheering and don't forget to join in the community song or the Demon of the Lake will come and sort you out. Oh, and don't forget children that you get a little something for coming on stage and participating.

The members of the company have all worked tremendously hard for this production, from the seven year olds to the seventy somethings and should be proud of what they have achieved. The last few months have been very hectic for us, we have had a change of Chairman, changed our name and had to cope with the financial difficulties of putting on shows but my new committee are dedicated to continuing the fantastic work started by the previous committee under the leadership of Edna Mountstephen. I would like to take this opportunity to thank Edna, on behalf of the Society, for the blood, sweat and tears she has put in over so many years. I know that I have very big shoes to fill.

Well, thank you for your time, sit back and enjoy the show...keep a look out for the demon.
Sam McCarthy.

Song Sheet Words

Goose, goose, goose, goose, goosey
Lay a golden egg for me
Goose, goose, goose, goose, goosey
I want one for my tea
I haven't had an egg since Easter
And now it's half past three
So, goose, goose, goose, goose goosey,
Lay a golden egg for me.
